- Mini MX-5 production experience by plastic injection molding

- ✓ Numbered tickets will be distributed on a first-come, first-served basis in the lobby of Mazda's headquarters on the day of the event.
 - ◇ Morning Session (for 72 people) 8:30 a.m. - Registration will close when the morning session is full.
 - ◇ Afternoon Session (for 81 people) 11:30 - Registration will close when the afternoon session is full.
- ✓ The experience takes 15 minutes.
- ✓ Limit 1 piece per person. However, in order to have more people participate, families with children are requested to bring the number of children plus one parent/guardian.
- ✓ Join Mazda's material recycling experience, where plastic waste generated in the car manufacturing process is used not as waste but as a material.
- ✓ Injection molding, which is the same process used to manufacture plastic parts (bumpers, etc.) for automobiles, is used to create a one-of-a-kind mini-MX-5.
- ✓ A love of driving and a love of the earth can—and indeed must—be harmonious. Click [here](#) to learn more about Mazda's environmental initiatives.

- Classic car stamp rally
You can get a stamp by participating in events held in the museum.

- Folding paper crane
Why don't you try folding paper cranes? Every year from 2020 at Mazda, we have continued to collect paper cranes from our related overseas company and donate them in Hiroshima Peace Memorial Park.
We will be sure to donate collected paper cranes together with those from overseas to the park.
